

**Associate Membership Application
Center for Family Justice**

- The Center for Family Justice has been created to:
 1. support children and parents caught in the family court system,
 2. call for state- and federal-level reform to insure that justice is served with the best interests of families in mind,
 3. expose illegal and harmful practices in the family court system, and
 4. inform the general public about the process.
- Associate members are those persons who do not qualify for full membership because of their involvement with the Family Court system. We value your participation! Associate members may not vote or make donations to the Center for Family Justice, but their experience, advice, and support is an integral part of our mission to help families and reform the system.
- Our membership list and associated information is strictly used for internal CFJ business. We do not share this information with other organizations, companies, or individuals.
