Concerning:

[REDACTED]

Dear [REDACTED]

The Children, Youth and Families Department (CYFD) has completed its investigation in response to the report alleging abuse and/or neglect of your child(ren).

The investigation has concluded with an overall result of:

- Substantiated Physical Abuse against the father [REDACTED] This has been based according to the testimony of several of the children.
- Unsubstantiated against the mother according to the testimony of the children.

The disposition of the case is Family/Client ref. to community serv.

It is recommended that the family continue working with custody/divorce issues through the Court Clinician Office.

It is recommended that the entire family receive counseling/therapy to work through some domestic violence issues.

Case has been closed.

If the investigation result is substantiated, but no court action is initiated by CYFD, you may request an informal review of the findings by contacting Brenda F. Sandberg, County Office Manager, within 10 days.

Should you have any other questions please call me at (505) 841-7863.

Thank you for your cooperation.

Sincerely,
